**Digging Deeper: Group Questions & Personal Reflection**

1. The Easter message discussed the distance between you and God. Why does this distance exist? How have you attempted to bridge that distance in your life? How has this worked out?
2. What are the most common ways in which you see this culture trying to bridge that gap toward God today?
3. According to the Bible, why is it impossible for any person to 'get to God' using their own resources / smarts / skills / engineering? What is God's answer to this problem?
4. Practice sharing this simple illustration (Man on one side / Cross in the middle / God on the other side) with each other in your Community Group as a 'gospel sharing' tool.

**Your story has the power to share the gospel message with others!**
