Digging Deeper: Group Questions & Personal Reflection

1. Discuss how you view the world based on your identity as a follower of Jesus Christ. What is your view based upon? What are your core values? How do these determine how you spend your time or what actions you take?
2. In what ways have you “turned the world upside down” because of your walk with Jesus? Where are you being intentional with your influence?
3. Talk about some goals you can set for this next year that will benefit you in becoming a greater disciple of Jesus.
4. Select a few men or women that you are willing to invest in over the summer. Are you willing to be held accountable to disciple them and help them become disciplers of others?
5. Will you take the challenge to multiply and begin a NEW group this summer or next fall? If so, make that commitment and contact Aaron Mora at aaron.mora@mpcc.org.
