Digging Deeper: Group Questions & Personal Reflection

1. What relationships have mattered most in your life? Who has God used to shape your life?
2. According to studies, loneliness can actually be deadly. We were created to live in relationship with other people. That means that when we isolate ourselves we are violating one of the ways in which God made us. Do you see meaningful relationships as a vital part of your life? How has God wired you to interact with others when it comes to making friends? Do you prefer to have many friends, or just a few close friends?
3. Read Ecclesiastes 4:9-12. What sticks out from this passage? How can it hold true for your community group?
4. How are you doing with making margin when it comes to our topic last week, your time? Do you intentionally make time for developing friendships or investing in relationships? If so, how do you go about this? If not, what do you feel like God is calling you to do in this area?

Respond:

1. What do you feel like God is asking you to do in response to the Missing Margin series? What is your next step?
2. How can your Community Group support you and hold you accountable in this?
