Digging Deeper: Group Questions & Personal Reflection

1. Read 1 Chronicles 4: 9 – 10 and identify the four parts of Jabez' prayer. Which part sticks out to you? What impacted you from the message this past Sunday as Alan discussed them?
2. Jabez meant 'pain'. Can you share any names or labels others spoke over your life in your own past that were painful? How did that affect you?
3. This is a daring prayer that some may opt out of. As God answers this prayer, it will undoubtedly bring you to new places that are uncomfortable. How do you feel about sincerely praying Jabez' prayer over your life? Would you be willing to pray this prayer every day for the next 30 days?
4. Often we function without the hand of God over our lives. We do things from our own capacities. While this is not a sinful thing to do, it is smaller than what God can do through you with his hand upon you. Do you have a vision for kingdom serving that necessitates God's hand upon you? What could that be? As we talk about 'Go, Live it Out' – what could that look like for your Community Group?
