Digging Deeper: Group Questions & Personal Reflection

1. Make a list of the top 3 things that are difficult or are causing stress in your life right now. Share them with your group. Where do you see God at work in each situation? What do you think God is wanting you to do in each case?
2. As your group discusses each others' needs, find scripture passages that address the specific needs or needs similar to yours. Feel free to use google. Commit to pray these scriptures over your life situations every day this week.
3. Talk about a time when you felt God did not answer your prayer. Now look back at that situation and examine what God has done since your original request. See if you can discover God's hand, even if the answer was not what you desired.
4. Take the 30 day challenge. Have each group member share one of the top three concerns in their life and commit to pray for one another for 30 days about that situation. At the end of this month, revisit what God has done over those 30 days.
