Digging Deeper: Group Questions & Personal Reflection

1. Have your group discuss the implications of the 'blood sacrifices' God required in the Old Testament.
2. What does it mean to live your life as a servant to your family and friends? How do you do in this area? What areas could you improve upon? Have each person in your group state one way they can serve their friends or family this week and make an active decision to do it.
3. Make a bond among the members of your group to fast and pray prior to the next corporate communion in February.
4. What is the "mysterious union" God brings to pass when you take communion?
5. Why do we NOT believe that the bread becomes His body and the juice/wine becomes His blood?
