Christmas Eve
Message Notes:

A bit more about who we are...

We are a family by choice of authentic, faith filled, radical, disciple makers with our eyes focused on Jesus Christ. We want to express love and compassion while being united in this local church, serving the under-served in mid-Michigan. It's in group communities we empower leaders who are able to passionately advance the mission of the Church.

After worshipping with us, we would love to see you join a group. We have groups for people at all ages and stages of life. Here are a few groups geared toward kids and students...

On Sunday mornings our children's ministry (kidLife) engages children from birth through 6th grade with a dynamic worship service just for them. Our vision is to pass on our faith to the next generation through creative teaching from the Bible so that children in kidLife may know how much Jesus loves them!

For students from 7th through 12th grade, studentLife has weekly gatherings on Sunday nights as well as events and trips geared just for them. They passionately care for junior and senior high students by providing a safe, fun, and welcoming community where students can connect with friends and grow in their faith.

ULIFE College aged individuals are invited to uLife on Tuesday nights. uLife aims to reach and develop college-aged people into authentic, lifelong Christ followers and impassioned champions of the local church by connecting them to God and to each other.
