Digging Deeper: Group Questions & Personal Reflection

1. In seeking God together as a couple, the sermon highlighted one essential strategy. Prayer! For some couples this is easy and common, whereas others may have never done this before. How can we help each other engage in prayer in our relationships?
2. Fighting fair involves being quick to listen and slow to speak. How does this influence each marriage represented?
3. Identify some 'Side by Side' fun that couples could begin to do together. What would that look like?
4. Think back to when you first met. If you want what you had, start doing what you did. What would that look like for you?
5. When you go home tonight, read Song of Solomon 7: 1-11. It's good to be obedient to the Word of God! Have fun.
