Digging Deeper: Group Questions & Personal Reflection

1. Aaron shared about how the cross is the Church's corporate logo. How is this true? Why do you think people today still display and wear the cross? Is that strange if you stop to think about it?
2. What thoughts or feelings come to mind when you think about the cross?
3. How has your perception of the cross changed over the years? Do you think of the cross differently today than you did before you were a Christian?
4. Read Galatians 6:14. What was Paul's attitude about the cross? What does it mean to boast only in the cross? Have you experienced this?
5. Read Colossians 2:14-15. What actually happened at the cross? Who did Jesus triumph over? What does that mean for us?
6. In Philippians 3:18 Paul says "...many live as enemies of the cross of Christ." Who do you think Paul is referring to? Why do you think the cross is offensive to people?
