Digging Deeper: Group Questions & Personal Reflection

1. Peter tells us not to be surprised when we suffer. Why would he need to say such a thing to Christians? Why are we still surprised by suffering today?
2. We love to be comfortable and hate to suffer. What are the ways you prioritize comfort in your life? Are any of these idols in your life?
3. Suffering may be a good indication that we are 'on mission' for God. Can you point to that in your own life in the last year or so?
4. Suffering has a way of bringing us close to the Father. Comfort rarely, if ever, produces that kind of closeness. Share together (if you can) who is suffering right now – pray for each other.
