Digging Deeper: Group Questions & Personal Reflection

1. 1 Peter 5 talks about a prowling lion seeking to devour you. What is this prowling lion? Can you share any spiritual opposition in your life currently?
2. Peter tells us to be humble and also resist this prowling lion. The sermon suggested this was an odd match. Can you elaborate on this idea of 'vulnerability & authority'? The humility to shed self-confidence and the authority to resist the enemy.
3. Few people want to be vulnerable and most people want authority. What does that look like in your life?
4. How would you define the larger premise that we have looked at in 1 Peter – the idea of 'This is Us'? What does that mean to you?
5. Please share some practical ways in which God has nudged you away from the way everyone else thinks and acts.
