Digging Deeper: Group Questions & Personal Reflection

1. Has this series caused you to reflect with child-like, wide-eyed wonder on the glory and goodness of our God? What are some things that you felt like you needed to be reminded of about Him over the course of this summer?
2. Psalm 42 and 43 contain some brutally honest remarks. Read both Psalms and highlight those verses. Are you able to be that honest with God and others?
3. Why do we often hesitate and shy away from complete honesty with God or with our church family? Do you struggle in either area? Why?
4. What do you think about the idea of an honest (comes as you are), no stipulations church? In our culture we see more people who simply don't fit the 'cookie cutter' mold of a traditional churchgoer. Sometimes this has led to very negative experiences for those in need of Christ. Have Christians been guilty of this?
5. The sermon explained how we've shifted from being "recipients of grace to protectors of grace". Explain what this means to you.
6. How can Community Church open our doors wider to anyone and everyone, no matter their appearance/background/language/politics/opinions... How can we become more welcoming and loving for the sake of the Gospel?
