Digging Deeper: Group Questions & Personal Reflection

1. Thinking back over the ten character traits and activities of God discussed in this series, which one hits you where you are and why? What do you remember from that message or Psalm? Are there new ways you appreciate God after this summer series?
2. Read Psalm 84. What is the psalmist's desire? How does he feel about coming into God's presence? What images express his joy? What images express God's attributes? What is so appealing about being close to God?
3. Think about moving from "strength to strength". Share a "touchstone" moment in your life, where God met you and carried you through. What was the result on your faith afterward?
4. We cannot control the valley we go through, but we have full control of our attitude and perspective as we travel. What one way will you adjust your attitude and perspective moving forward?
5. How will viewing God's amazing attributes with "childlike wonder" make you bolder?
