### Digging Deeper: Group Questions & Personal Reflection

1. Do you believe truth is subjective or absolute? Explain your reason.
2. Today's culture certainly believes in subjective versions of truth and elevates tolerance of 'other truths' as a revered value. How can today's Christ follower navigate those realities in a manner that will help and not repel?
3. Who is Jesus Christ? Have you always believed that? Did you ever believe he was something other than what you adhere to now? What changed?
4. The sermon stated that Jesus is exclusive and sufficient. Can you unpack that as a group and what that means?
