### Digging Deeper: Group Questions & Personal Reflection

1. Read Psalm 119:9-16. This entire Psalm references "The Word" thirty times. What conclusions can you draw from this? As a Christian, what does the Word of God mean to us?
2. Read 2 Timothy 3:14-17. In what ways does the text say scripture is beneficial for our lives? Can you think of an example of how a passage of scripture has benefited you in one of these ways?
3. Discuss in your group about three reasons for the importance of the Resurrection in relation to the Word of God.
4. What do you believe the difference is in these two statements?: "The Bible is the Word of God." "The Bible contains the Word of God." Why is the distinction important?
5. Someone just asked you, "What does it mean, 'the Scriptures are God breathed'"? How do you best respond to that question?
