

Premarital Agreement

It is very important to us at Mount Pleasant Community Church, that when a man and woman come together in marriage before God, they be genuinely committed to each other and live to promote love and peace in their household. Marriage is a commitment between a man and a woman, which involves the whole person, and we desire you to have a loving, healthy, life-long, enjoyable marriage. We have therefore, outlined the following agreement to help ensure your marriage will be strong, lasting, and honoring to God.

By signing below, you both agree:

- To show a good faith effort to attend worship at Mount Pleasant Community Church and have attendance records showing at least 6 weeks attendance within a 2 month period.
- To confirm membership with this church or seek membership or affiliation with this church.
- To pursue spiritual growth together.
- To participate in a minimum of four pre-marital counseling sessions with an approved counselor. The *Prepare and Enrich* counseling sessions are available at Christian Counseling of Mid-Michigan who can be reached at 989.317.4664.
- That prior to marriage you will live in separate households, or if currently living in the same household, will diligently seek separate living arrangements.
- To maintain sexual purity in your relationship and abstain from sexual unity until bound together as husband and wife under the strong commitment of marriage and ordinance of God.

If this agreement is not fulfilled, or the pastor perceives major problems with the marriage, then the pastor may decline to perform the wedding service.
